

OUT MAINE BINDER PROGRAM

[OUTMAINE.ORG/RESOURCES/BINDERS](https://outmaine.org/resources/binders)

OUT Maine provides free chest binders to any transgender, nonbinary, gender-expansive, or any other LGBTQ+ youth, ages 14 – 22 in Maine, who needs one and cannot afford to purchase or safely obtain one.

At OUT Maine, we have an ambitious goal: to **create more welcoming and affirming communities** for queer youth in all of their intersectional identities. Each year, we reach hundreds of **LGBTQ+** youth directly to build self-esteem and skills. We also **seek to change the very systems** that serve them: schools, health care, foster care, community organizations, and more.
