LETTER FROM THE EXECUTIVE DIRECTOR

Greetings!

Since 1996, OUT Maine has worked tirelessly to foster inclusive communities that celebrate the rich diversity of Maine's queer youth across all their intersecting identities. Our mission extends beyond providing support—we strive to reform the very systems that shape the lives of LGBTQIA2S+ adolescents, including educational institutions, healthcare facilities, and community organizations.

Distinguished by our commitment to rural LGBTQIA2S+ youth, OUT Maine serves as a beacon of hope in regions often overlooked and under-resourced. Through meticulously tailored programming and training initiatives, we empower these young individuals with the social support, positive role models, and inclusive policies necessary for their success.

Last year, we embarked on a strategic planning endeavor guided by meaningful conversations with youth, families, and community partners. These insights are helping us expand our support and resources, focusing on building resilience and life skills to help our LGBTQIA2S+ youth survive and thrive.

As we continue to address the impact of the political “pushback” against LGBTQIA2S+ youth sweeping the country and overwhelming Maine's rural schools, OUT Maine's mission is more relevant and urgent than ever. We continue to strengthen and expand our efforts to provide support programs for youth and their families, but we know that is not enough. To make a difference, we must stand strong and work together to keep protections in place for our youth.

Your generosity and commitment to our mission have been essential in reaching the achievements highlighted in this Mission Impact Report. Together, we are shaping a future where LGBTQIA2S+ youth know that they belong and are supported in every facet of their lives.

Thank you for standing with us as we continue to ensure that every LGBTQIA2S+ youth in Maine has the chance to thrive.

With Gratitude,

Susan B. Campbell

LOOKING FORWARD

Strategic Plan

Over the next five years, our focus will be dedicated to achieving three overarching goals:

1. Establish and implement a comprehensive, multi-tiered support framework that enhances inclusivity and fosters a safe, affirming environment for LGBTQIA2S+ youth, parents, and families through targeted programming and systemic transformations across organizational structures.
2. Enhance OUT Maine's capacity by implementing targeted staff development programs, technological infrastructure upgrades, and strategic partnerships to expand the organization's outreach and impact within the LGBTQIA2S+ community across the state.
3. Strengthen OUT Maine's financial sustainability and resilience by diversifying funding sources with an emphasis on developing and nurturing strategic partnerships with key stakeholders, both private and public.

The whole plan, with more details, is available at outmaine.org under About/Strategic Plan.
